- By-Laws Committee appointment

 - Do we have term limits? Nope. Appointments and positions change in May.
 - Can we just pass the policy to govern the board in the minutes? Yes, but the mayor and city admin will direct actions based on policy.
 - If someone is a no-show, do we just recommend termination to the mayor? Recommendation on attendance goes to the mayor
 - ▶ By-law proposal in Jan, will have some ideas:
 - May not need a committee as much as we need a write-up
- Protected Rare Meadows – Will follow up with contact information
- The last city recommendation was accepted - Will collaborate with the city admin to keep up with progress on improvements.

◆ New Business:

- Taking down Mitchell nets
- Repurposing trash cans will follow up in April
